Company	6DIAS TEXTEIS INTERNACIONAIS
Address	Rua Andre de Resende 78, GANDRA – TROFA - PORTUGAL
Product Description	Acetate fabrics
Composition	100% Acetate Greencel
Date	14/11/2019

Dear 6DIAS,

Please be informed that your fabric sample has been received and tested according to our internal procedure, in order to verify that complies the requirements according to the Greencel Standard.

- **The Greencel Certification Letter has been APPROVED**
- **Certification number: 018**

The approval period of this certification number it is valid under the following conditions*:

- As from the issuing date for only productions with same Inacsa manufacturing batch.
- Productions with guarantee of minimum content of 25% of Greencel yarn in the final fabric composition.

*Regarding to this certification number, if any different manufacturing batch is used, and/or percentage of composition is modified according to the parameters established in the Greencel Standards, please note that 6DIAS must send a new sample for approval.

Best regards

V. Canadell
Technical Manager
